

pH METER ACCESSORIES (for Bench Types)

► The below pH electrodes are commonly used types. There are many more types of pH electrodes for different types of samples and applications. Please contact BİLMAR for other types!

924.001 Epoxy Combination pH Electrode

027.500 ATC-Temperature Probe

924.005 Glass Combination pH Electrode

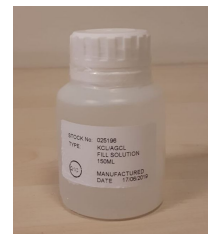

924.002 Glass Slurry pH Electrode

BUFFER SOLUTIONS
(pH 2-4-7-9.22-10)

BUFFER TABLETS
(pH 4-7-9-10)

Filling Solution
4M KCl/AgCl

037.703 Thermal Printer with IrDA

PROSENSE QA854X Swing-Arm Electrode Holder
